Garage Cabinets & Overhead Racks

Warranty Information

Any chemicals may damage your cabinets, so please be careful when storing chemicals. Please do not apply water to your cabinets.

To clean the outside of your cabinets, wipe with a damp cloth, followed immediately by a dry cloth. All shelves are capable of supporting up to 600 pounds of evenly distributed weight. Cabinet doors may take up to 90 days to settle. Material and workmanship is warrantied for as long as you own the home.

Let Us Set Your Garage up with the **Bigfoot Garage Storage System**. Creating Hundreds of Square Feet of **Home Storage Right inside Your Own Garage!**
